

School Sports Day

Water Request Application Form

At Highland Spring, we believe in promoting the benefits of a healthy, active lifestyle and forging a strong link between sports performance hydrating with the best water. It's a sad fact that most people in the UK, and especially children, don't drink enough water or participate regularly in active sport. By showing our support for your school sports day, we hope to raise awareness about the many benefits of getting involved in sport - at any level.

Please complete this application form and post, email or fax it back to us for the attention of:

School Sports Day Request,
Highland Spring Ltd, Blackford, Auchterarder, Perthshire, PH4 1QA

Terms and Conditions:

*If your school is within a 15 mile radius of our Highland Spring plant then we would encourage you to collect the water as this helps to reduce our carbon footprint.

We will try where possible to satisfy all requests made to us and will notify you by email once the order has been placed.

Only fully completed application forms will be considered.

Application forms must reach us at least two weeks before the event.

We will try where possible to deliver water two working days before the event (delivery will be made on a Thursday for Monday events and on a Friday for Tuesday events).

Our water should be stored in an odour free environment and away from direct sunlight.

Our product donation to your school should not be sold on for financial gain.
